

# Red & The Revenge of The Pack: An Erotic Fairy Tale (Shifter fantasy/horror mmmf erotica)

Two years after her rescue, Red finds herself back in the woods for the first time since. This time, shes looking to confront her cheating husband, the huntsman who saved her years before. But shes not the only one back in the woods. Red soon finds herself caught outside the huntsmans cabin by three shifter clan-brothers of her original attacker out for revenge- flesh for flesh. But just as the three hunky, well-endowed shifters close in, Reds suspicions of her husbands dalliances are confirmed, and now its Red that wants revenge! Submitting and opening herself in every possible way to the three hung and ready shifter men, Reds hubby is made to watch as she takes on the whole pack! Revenge comes hard, rough, and stuffed full in this naughty re-imagining of the classic fairy tale.
